\$12,940	January 1, 2022 through December 31, 2022	1.00% increase

The Deputy Assessor, Deputy Clerk, Deputy District Court Clerk, Deputy Treasurer, and Deputy County Attorney shall be paid Seventy Percent (70%) of the base sum of the elected official salary for their first year of service, and Eighty Percent (80%) upon completion of their first year and thereafter. The salaries of the elected officials and deputies will include payment of retirement, and medical and life insurance as may be provided and determined by the County's retirement and insurance policy in effect each fiscal year.

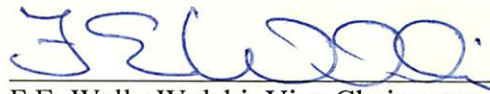

The salaries of the County Commissioners will include payment of retirement, as determined by the County policy in effect each fiscal year. No additional payment for medical or life insurance will be included.

The salary of the County Coroner will include payment of retirement, as determined by the County policy in effect each fiscal year. No additional payment for medical or life insurance will be included.

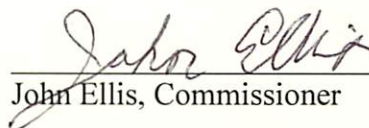

DONE IN A SPECIAL OPEN MEETING this 30th day of May, 2018.

Carl F. Rupp, Chairperson

F.E. Wally Wolski, Vice Chairperson

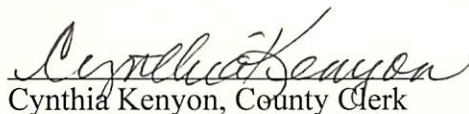

John Ellis, Commissioner

(Seal)

ATTEST:

Cynthia Kenyon, County Clerk

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support effective decision-making.

3. The third part of the document focuses on the role of technology in modern data management. It discusses how advanced software solutions can streamline data collection, storage, and analysis, leading to more efficient and accurate results.

4. The fourth part of the document addresses the challenges associated with data management, such as data quality, security, and privacy. It provides strategies to mitigate these risks and ensure the integrity of the organization's data.

5. The fifth part of the document concludes by summarizing the key findings and recommendations. It stresses the importance of ongoing monitoring and evaluation to ensure that data management practices remain effective and up-to-date.

[Faint, illegible text, possibly a signature or stamp]

6. The final part of the document provides a summary of the overall findings and offers concluding remarks on the state of data management in the organization. It suggests areas for future improvement and the need for continued investment in data infrastructure and personnel.
