FOR YOUR INFORMATION: Find the tax district where you live, find the total assessed value of y
If you multiply your total assessed value times each one of the figures above (in your tax distric
EXAMPLE: If your total assessed value was 6000, you wanted to know how much of your tax do
Then you would: 6000 x .005500 = \$33.00 - That is the portion of your taxes that goes toward
