**RESOLUTION #2019-03**

**COURTESY RESOLUTION TO RECOGNIZE MERITORIOUS SERVICE  
DURING BOMB CYCLONE ULMER**

- WHEREAS:** An initial blizzard warning was issued on Monday March 11 at 4:10 pm; and
- WHEREAS:** Advance briefings were held with all emergency services prior to the first snowfall and all departments were properly prepared for the record breaking storm. Goshen County Emergency Management services advised business, school and road closures to protect the residents and residents wisely heeded the warnings; and
- WHEREAS:** Bomb Cyclone Ulmer resulted in total snow accumulations up to twenty inches with drifts miles long up to ten (10) feet high and wind gusts were recorded up to sixty-five (65) mph resulting in a storm comparable to a category II hurricane; and

**NOW, THEREFORE, BE IT RESOLVED,** The efforts to keep the roads open, especially to the hospital, and assisting numerous stranded vehicles surely saved lives. Road repairs will continue for months. The meritorious efforts of Goshen County Road and Bridge, Sheriff's Department, Emergency Manager and Maintenance Department are highly commended by this Commission on behalf of all County residents.

**DATED** this 2nd day of April, 2019
