S-A	BUDGET MESSAGE	W.S. 16-4-104(d)
<p>The board members take their responsibility of stewardship very seriously. The District does not believe in saving funds by postponing maintenance of the District's assets. Our chief operator has divided District into sections. Each section is cleaned every other year. The lift station is cleaned annually. This allows for a more consistent annual expense. Routine maintenance is not optional, it allows for the District to lengthen the life of our resources and identify areas needing further attention. The FY2022 South Torrington Water & Sewer District's proposed budget reflects the District's significant loss of revenue from Western Sugar's decision to cease production of sugar at their Torrington, Wyoming location (FY2020). The STWS is continuing to review / analyze the rate structures. The board of directors have confirmed their dedication for the need of financial reserves.</p>		

S-B	RESERVE DESCRIPTION
<p>The South Torrington Water & Sewer District has multiple certificates of deposits totaling \$404,765.88. There are seven (7) CDs with rotating maturity / renewal dates. All funds are FDIC insured. Due to the major change to the District's revenue structure (Western Sugar) in FY2020; the STWS has estimated a smaller amount to be added to the reserve during the FY2022. This additional reserve is consistent with the FY2020 and FY2021 addition to the reserve.</p>
