

**STATE OF WYOMING
GOSHEN COUNTY
RESOLUTION #2022-10**

**A RESOLUTION ESTABLISHING A SELF-RESTRICTED MOTOR VEHICLE
SAVINGS ACCOUNT**

WHEREAS Goshen County, Wyoming has historically obtained leases/loans for acquiring motor vehicles needed to perform the statutory duties of County Government. The lease/loans require an interest payment in addition to the cost of the vehicles; and

WHEREAS the American Rescue Plan provided one time funds to be expended solely on general governmental expenses. Goshen County, Wyoming is utilizing a portion of these funds to purchase motor vehicles required for general governmental purposes; and

WHEREAS Goshen County will not be funding a payment with interest for motor vehicles purchased with said American Rescue Plan funds. The intent of this Resolution is to provide a self-restricted account where funds that could have been allocated to pay motor vehicle leases/loans may be deposited to avoid unnecessary interest expense for future vehicles; and

NOW THEREFORE BE IT RESOLVED the Goshen County Board of County Commissioners hereby establishes a self-restricted vehicle savings account with an initial deposit of \$250,000. Said fund will be maintained by the County Treasurer in the usual statutory manner.

DONE IN OPEN MEETING this 18th day of October, 2022.
