**S-A BUDGET MESSAGE** W.S. 16-12-403 (c)

The purpose of this budget is to run the General Weed and Pest program, establish a Special Management program (11-5-301) to control Leafy Spurge, Prairie Dogs, and Cheatgrass, which are spreading at an alarming rate, operate the CRM account which is a sinking fund, and operate the Mosquito program which is grant funded. All moneys from these two mill levies will be used for administration, equipment, and pesticides to operate all programs. This years operation budget looks to be larger than actual expenditures in the past. Those increases are primarily for an increase in expenditures for the cheatgrass program. We have increased our hourly wage along with the anticipation of highering additional employees. We also have an increase in our fuel and repair budget line items. Our capital expenditures were also increased do to the difficulty of purchasing vehicles in the past and the hopes of replacing some older equipment this year.
